

2018 Lake Luther Work Days

Spring Work Day

Saturday, May 5

This is Lake Luther's first work day of 2018 where we get the camp ready for a busy summer. Projects include: light construction projects, indoor painting, and outdoor work. We also put together summer Bible study binders and other office projects. We start at 9:00 am and work through lunchtime. Lunch is provided.

Fall Work Day

Saturday, Oct 6

This is the day we begin getting the camp ready for winter by bringing in the swim platform, the boat docks, and summer program equipment. We begin at 9:00 am and will be finished around 11:00 am.

Outdoor Cleanup Day

Saturday, Nov 3

This is the day we collect and burn brush and split and begin putting up next summer's firewood supply. We provide lunch, gas-powered log splitters, and work gloves. We begin at 9:00 am and finish with lunch at 12:00 noon.

Firewood Day

Saturday, Dec 1

A two-hour Saturday morning work day to be sure we get next summer's firewood supply is split and stacked in the firewood shelter. We provide work gloves and gas-powered log splitters. We begin at 9:00 am and promise to finish up at 11:00 am.
