## Parent/Grandparent Week

### Lutheran Hills-July 30-Aug. 3

Parent/Grandparent week is a short week, (Sunday through Wednesday) that allows parents and grandparents to attend camp at the same time as their children/grandchildren entering grades 1-3 who attend pilgrim's camp. It's a busy three days of activities for young campers lead by our college-age summer camp staff. Activities include games, crafts, Bible study, water sports, and campfire programs.

Parents/Grandparents come to camp (knowing their child is in good hands day and night) and are a background presence with no responsibility other than being present to share meals and participate in campfires and other activities as desired.

**Housing:** Pilgrim campers stay in cabins with their college-age counselor. Parents/Grandparents are housed in a private room in the comfortable Bear Creek Village Cottages.

**Cost:** \$135-Parent/Grandparent, \$210-Pilgrim camper

**How to register:** Register online or download registration forms at [www.lomik.org](http://www.lomik.org). Submit separate registrations for each attendee with a \$50 deposit per person.
