

## Grandparent Week 2022

## Lutherwald Lutheran Hills

## July 24-27 June 26-29

Grandparent week is a short week (Sunday through Wednesday) that allows grandparents to attend camp at the same time as their grandchildren entering grades 1-3 who attend Pilgrim camp. It is a busy three days of activities for young campers lead by our college-aged summer camp staff. Activities include games, crafts, Bible study, water sports, and campfire programs.

Grandparents come to camp (knowing their grandchild is in good hands day and night) and area a background presence with no responsibility other than being present to share meals and participate in campfires and other activities as desired.

Housing: Pilgrim campers stay in cabins with their college-age counselor. Grandparents are housed in modern retreat facilities.

Cost: \$ per grandparent \$per Pilgrim Camper

How to Register: Register campers on-line and email [info@lomik.org](mailto:info@lomik.org) to register grandparents. Separate registrations for each attendee are required with a \$50 deposit per person.

For more information contact:
