

THE LUTHER ROAD TRAVELING DAY CAMP

LUTHER ROAD CHRISTIAN DAY CAMP is a five-day program where the LOMIK camp experience comes to the local church. The program includes fun, worship, games, Bible study, fellowship, sharing, and recreation. **Day Camp is designed for up to 50 youth entering grades 1-6.**

LUTHER ROAD is staffed by college-aged counselors trained under the direction of Pastor Stephen Flynn, LOMIK Director. The staff works closely with your DAY CAMP LOCAL COORDINATOR and volunteers from your church.

LUTHER ROAD is a unique blend of outdoor and congregational ministry. The camp staff bring their experience, enthusiasm, and leadership abilities; along with all the curriculum necessary for the week. The staff serves as positive Christian role models for both adult and teen volunteers. Together with the talents and gifts of your church and community, we create the ultimate camp experience.

Outreach - The week provides an opportunity for the church to reach out to your local community and show Christ's love. Additionally, the week can encourage community interaction with other churches.

Renewal –The experience is renewing for your adult volunteers, as well as for youth participants. Day Camp can also revitalize your church's youth ministry with renewed energy and ideas.

Interaction - LR staff will provide a youth-counselor program ratio of less than 7:1 with the help of your church volunteers.

The **PURPOSE** of the Luther Road Day Camp is to provide the local church with a quality Christian camp experience in the local community. While we hope to get youth interested in LOMIK camps (Lutheran Hills, Lake Luther and Lutherwald), our bigger and more immediate concern is to get them excited about the local congregation.

The **STRENGTH** is the college-aged day camp staff. They are caring, committed young people who are trained to lead Bible studies, worship, singing, recreation, crafts, and the intangible we call "dynamic Christian community."

The **UNIQUENESS** of the Luther Road Day Camp is its flexibility. The Luther Road staff comes with an age-specific program (Grades 1-6) yet will work to design a week to meet the specific needs of each congregation.
