Lutheran Hills

Saturday, May 1
9:00 am –3:00 pm.

JOIN HANDS DAY is a day of service projects designed to help get Lutheran Hills ready for the summer camp season.

All materials for work projects and Saturday lunch are provided.

In past years, projects included:

- Painting Projects
- Splitting Firewood
- Light Construction Projects
- Cleaning Cabins

We want to encourage THRIVENT members to participate, as our local Thrivent branch will be sponsoring the day and extra funds are available when Thrivent members get involved!
