A FREE Weekend Program For Lutheran Families & Youth Groups **Lake Luther Bible Camp, Angola IN**

"Lake Luther Fest" is a Friday evening to Sunday morning weekend program for families, middle school and high school youth groups and their adult leaders. Meals are served out of the Lake Luther camp kitchen (\$5 per person/per meal). Groups and families "camp out" for the weekend at Lake Luther's comfortable campground area, have full use of the camp and attend stage performances all weekend at NO COST.

COME ON UP FOR THE DAY – OR THE ENTIRE WEEKEND!

Lutheran Outdoor Ministries Indiana-Kentucky

Entertaining us on this year's Lake Luther Fest stage all weekend will be:

Ted&Co. Theaterworks

Ted Swartz graduated from seminary and began a ministry that took him, not to a pulpit in a congregation, but to more than one quarter million people across the U.S. and into Canada, Kenya, Japan and beyond. Blending poignancy and humor with biblical story, Ted has an uncanny ability to bring archaic biblical characters to life. It's through this portrayal of these lifelike characters that comedy emerges and audiences see God's story in a whole new light. Ted makes his home in Harrisonburg VA. .

Trent Wagler is a freelance actor and musician from Harrisonburg VA. He has recorded four full-length albums and toured across the country with his band *The Steel Wheels*.

Jay Lapp lives in Ann Arbor, MI. He is a free-lance musician, producer, recording engineer, studio musician and teacher. Jay currently performs and records with Trent Wagler in *The Steel Wheels*.

The Gold Mine Pickers

A bluegrass band from Goshen IN, featuring Luke Simpson, will play and call for the Friday night *SQUARE DANCE* and entertain on Saturday afternoon at 4:30 pm and throughout the BBO.

The Whipstitch Sallies

Members of our summer camp staff joke that if you can play guitar—you're hired! Allie Burbrink and Sam Herrin took this to heart, but their camp songbooks have now been replaced with old-time string tunes as they are joined by Kat Erickson and Michelle Hewitt. They'll play home-grown music (bluegrass to folk) throughout the weekend.

GENERAL INFORMATION

Welcome to Lake Luther Fest! If you haven't attended before, you need to know up front that Lake Luther Fest is a weekend for all ages to grow spiritually within a community, specifically, a Christian community. The weekend involves a variety of mass gatherings for worship, study and performances under a big tent with a stage, lights and sound system. Your hosts is the college-aged summer camp staff from Lake Luther.

Youth Group Planning Meeting. If you are coming as a youth group, we suggest that youth and adult sponsors meet prior to Lake Luther Fest to prepare for the weekend—making sure you have adequate camping equipment, as well as go over the weekend schedule and covenant.

The Lake Luther Fest "Youth Group Behavior Covenant." Basic behavioral expectations include: All participants be in their campsites by midnight, a 1:00-7:00 am "Quiet Time" when all have a right to sleep without being disturbed, no alcohol/drugs, no fireworks, waterfront use only during times of lifeguard supervision, and no youth leaving the camp property without an adult.

Meals. All meals (Friday dinner through Sunday breakfast) are served out of the Hagen Center dining hall at 8:15 am (breakfast), 12:15 pm (lunch), and 6:00 pm (dinner). Each meal is \$5 per person (children 6 and under free)—or \$25 for the weekend.

The Lake Luther Canteen. Located outside on the porch of the "Hagen Center," the canteen has available: cold drinks, sno-cones, T-shirts, candy, ice, and materials from Lake Luther Fest headliners. The canteen is open much of the weekend with flexible evening hours between events.

Medical Needs While at Camp. Lake Luther has an infirmary/first aid center and a trained staff person on duty, as well as arrangements with a local physician.

Campsites. Families camp in our formal "family campground primitive area," youth groups set up camp in the "youth camp" area—both have electric service and are short walking distances to bathrooms and showers. All campsites have picnic tables and a small campfire circle with a firewood supply nearby. While campsite space is reserved upon phone or email registration, a site is chosen upon arrival.

Camping Gear. Prepare to spend the weekend outdoors. Typically, late July is hot and dry, but come prepared for all types of weather. Pack all necessary group equipment (tents, ground tarps, ice chest for your drinks, lantern, etc.) Since each campsite comes with a picnic table, you may want to bring a tarp with stakes, poles, and rope to give your group an all-weather small group meeting area.

Individual Gear. Each participant should bring rain gear, extra shoes and clothing, sleeping bag and pillow, sleeping pad, flashlight, warm clothing, swimsuit, towel, toothbrush/toothpaste, soap, shampoo, and bug spray. Optional gear: camera, fishing gear, guitar, basketball, frisbee, etc.

REGISTRATION REMINDERS

Registration Is Easy! Contact the LOM-IK office via phone (260) 667-7750 or via email (lom-ik@juno.com) at least 3 days before the event (by July 27) with the total number in your youth group or family group needing meals. **Payment for meals is collected at mealttime.**

Arrival Time. Plan to arrive on Friday, July 30th between 2:00-7:00 pm. (Dinner is at 6:00 pm. Friday—and the program gets underway with a Square Dance at 8:00 pm).

Campsites. Once you register via phone or email, we will reserve campsite space for you—but actual campsites are taken on a first-come basis—so plan to arrive early if you want a particular site.
