

2011 Lake Luther SUMMER DAY CAMP

June 27-July 1

**Lake Luther Camp
Angola IN**

This Monday through Friday program begins with breakfast at 9 am and is full of great outdoor camp activities--swimming, canoeing, arts and crafts, Bible stories, games--all led by our super college-aged staff.

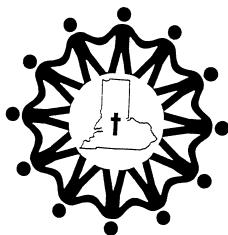

Day campers (entering grades 1-6) have a Christian camp experience, but they come home at night. Parents can arrange morning drop-off and pick-up times to fit their schedule. It's a great opportunity to have fun in the Lake Luther outdoor setting, make new friends and be supervised throughout the day by the trained, supervised college-aged camp staff.

Lake Luther (5215 N 450 W, Angola IN) is our church camp located on Bell Lake at Nevada Mills, 9 miles northwest of Angola on the west side of Jimmerson Lake.

The cost is \$150 per week and includes breakfast and lunch, BUT as this is taking the place of Calvary's VBS program this summer, Calvary kids and their friends are invited to come at no cost--or at whatever the family can afford.

Day Camp is offered June 27- July 1.

Registration is easy. Just call Lake Luther directly at 260.667-7750.
