

2011 Lake Luther

FAMILY WEEKEND

July 22-24

Lake Luther Family Weekend is like any other weekend where families come and camp at our campground (\$25 per campsite/per night—with electric hookup, or \$20 per campsite/per night—no electric)... BUT OUR COLLEGE-AGED CAMP STAFF LEAD ACTIVITIES ALL WEEKEND-LONG (no cost) and our camp kitchen is open for meals, Saturday breakfast through Sunday breakfast (\$5 per person/per meal—children 6 and under free). The weekend culminates with our annual Chicken BBQ—Sunday morning worship and luncheon. Register by calling Mark at (260) 667-7750.

Family Weekend Special Events

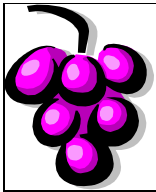

CANOE TRIP - Saturday @ 9:00 am

A two-hour family canoe trip on the nearby Pigeon River. Meet at the Hagen Center at 9:00 am.

WATER ROCKETS - Saturday @ 1 pm

You'll have a "blast" testing our rockets fueled with water and air. If parents want to take the Winery Trip, our counselors will step in and do rockets with your kids and then take them swimming.

WINERY TRIP - Saturday @ 1 pm

We've arranged a trip (adults only) to one of our favorite local attractions—the Satek Winery in Fremont IN.

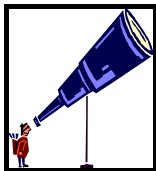

JUGGLING WORKSHOP - Saturday @ 5 pm

We'll give basic instruction on juggling techniques for all ages, proving that "anyone can do it—with a little practice. We'll try juggling balls, scarves and "jester sticks."

CAMPFIRE PROGRAMS @ 9:00 pm.

No camp experience is complete without a campfire. The Lake Luther summer camp staff will conduct Campfire programs on both Friday and Saturday nights with songs, skits and stories at 9:00 pm.

STAR HIKE—Friday or Saturday Night @ 10:00 pm.

Immediately after campfire, if the weather cooperates on Friday, we'll journey through the night sky and learn some to recognize some summer constellations and the primary stars of our Milky Way Galaxy, both with the naked eye and Lake Luther's DEEP SKY TELESCOPE. If we can't see stars on Friday night, we'll try again on Saturday night.
