OUR COLLEGE-AGED STAFF. Lutheran Hills, Lutherwald and Lake Luther summer programs are staffed by college-aged counselors who love working with kids. They are a fun, enthusiastic group who grew up at camp themselves and want to give children the same great Christian community experience they were given. They come highly recommended by their pastor and other adults who comment on their character. Those selected are good students with high-energy and positive, appreciative attitudes towards life. They use good judgment in the care of themselves and others, their Christian faith is a real factor in their everyday lives, their words and actions make them good role models, they work well as a team.
