We're All About Kids & Families. Our three camps—Lutheran Hills, Lutherwald & Lake Luther—provide a Christian community and new experiences in a fun environment with caring leaders. We offer a wide variety of week-long summer programs for youth (grades 1-12) and family events led by energetic college-aged summer staff, as well as first-class retreat and campground facilities.

We Serve Congregations. Confirmation camps, year-round retreat facilities, personal “get-away” retreats for pastors and our “Luther Road Traveling Day Camp,” bringing camp programming to our churches each summer. In the past year we have served over 5,000 people and 58% of our congregations sent kids and families to camp in summer 2012.

We Have Lots of Friends. We received over \$75,000 this past year in direct-gift support from partner congregations. 18 youth cabins at Lutherwald, Lutheran Hills and Lake Luther have been replaced since 2001, built with volunteer help from member congregations.

We've Gone Independent. With the 2009 IK Synod Assembly action of independently incorporating our camps, LOMIK is governed by an 11-member Board of Directors from Lutheran partner congregations in the Indiana and Kentucky region.

Ranked among the top fiscally-sound Lutheran camp ministries, LOMIK's success can be attributed to congregational benevolence, practicing good stewardship and the following:

No Debt. Upon retiring our last mortgage in 1996, we established a “pay-as-you-go” financial philosophy and practice, whereby we proceed with new capital projects when we have cash in-hand.

Grants & Fundraising. We aggressively seek matching grant funds. Since 2001, we have received over \$2 million for program, building and renovation projects from major grant sources.

The Lutheran Outdoor Ministry Indiana-Kentucky Endowment. Established in 1996, the balance of our endowment fund (as of 8/10/2012) is \$431,465.

Camper Scholarship Endowment. We have an established a specific endowment to help ensure that no child is denied a camp experience due to financial hardship. In summer 2012 alone, we provided over \$40,000 in financial aid to children and families to attend camp.

What's New? In 2012, we introduced a Grandparent/Grandchild summer camp week program, built a new swimming pool support complex at Lutheran Hills, purchased new watersport play equipment at Lake Luther, constructed a new summer staff housing complex at Lutherwald, and replaced the wastewater treatment plant at Lutheran Hills that will allow future growth at Lutheran Hills.
