### LETTER OF REFERENCE

Reading Camp gives tools and hope for the future to elementary school children who lag behind their peers in reading skills. Professional teachers conduct the program assisted by “cadets”—older high school or college students with an interest pursuing careers in elementary or secondary education.

Please edit the following statement so you feel comfortable signing your name to it. Also, please share additional comments in the space provided below to help us know this candidate better. Your comments will be held in confidence. Please return this form to the above address.

I know \_\_\_\_\_ personally and recommend him/her as a Reading Camp “cadet.” He/she is a person of superior integrity, high energy, and sound Christian values.

His/her habits of conduct are such that parents will feel satisfied knowing their child will spend a week under his/her supervision and guidance.

His/her personality is so pleasing that children will seek his/her companionship. He/she is cooperative, a hard worker, a good team member, and will see any task give him/her to its successful conclusion.

It is my opinion that he/she is a positive role model and will make a strong addition as a volunteer Reading Camp “cadet” at a week of Reading Camp. I recommend him/her without reservation.
